ACCESS TO THE EVENT VENUE

The NATIONAL HEALTHCARE 2023 Congress venue may only be accessed if you have an accreditation badge.

The badge is personalized and may not be transferred to third parties. It is required for participants to have on hand their badge and identity document (passport) at all times while at the Congress venue.

WHAT DO I NEED TO CHECK BEFORE PICKING UP MY BADGE?

In order to get your badge prepared for issuance, the information in the Roscongress personal account must completely match the data in your passport.

In the **'My events – NATIONAL HEALTHCARE 2023 Congress – Event dashboard'** section of the [Roscongress personal account](#) you should:

1. Confirm participation in the Congress.

2. Enter your personal information in full in accordance with your passport.

Processing of personal data will take at least 3 days.

3. Upload a required photo for your badge.

Photo requirements:

- Colour photo against a light background
- Photo size – 480 × 640 pixels
- Photo format – JPG or JPEG
- Full-face photo with no headgear
- Your face must take up at least 70% of the photo

4. Pay your participation fee (if the participation package is chargeable).

For more information about paying for participation, please see the ['Participation fee payment'](#) section of the Congress website.

Participation is free for government and non-commercial entities.
The event organizers consider applications on an individual basis;
the number of free applications is limited.

If there have been any changes to a participant's ID since the application was completed, their personal data needs to be updated in the [Roscongress personal account](#) accordingly. If changes need to be made to fields that cannot be edited, a participant should inform Roscongress Foundation specialist whose contacts are indicated in the Roscongress personal account.

If you have forgotten your login and password, you can use the [login and password recovery function](#) on the Roscongress personal account login page or contact us by email: weboffice@roscongress.org.

Before issuing a badge, an accreditation point attendant will make sure that the data specified in the Roscongress personal account corresponds to the ID document. In the event of any discrepancies, it will not be possible to issue a badge the same day.

BUSINESS PROGRAMME

The scope of the Congress business programme is consistent with the current agenda for the sustainable development of the healthcare system, its adaptation to new challenges, and the role of healthcare as a strategic resource for the country's economic growth.

The two-day programme includes more than 30 events in different formats. The participants in the expert discussions will include the heads of government agencies, major research centres, institutions, and companies that work in healthcare, medical and related technologies, and representatives of patient organizations, as well as foreign experts in various fields of healthcare.

The themes of the sessions are:

- state support and the introduction of innovative developments in medicine;
- digitalization of healthcare;
- promotion of a healthy lifestyle;
- development of the domestic production of blood products and vital medicines;
- country's infectious safety;
- training of medical personnel;
- financial sustainability of the healthcare system;
- progress in the fight against non-communicable diseases.

In addition, a ceremony will be held during the Congress to present awards to the best doctors and best medical workers with secondary education, as well as the best young teachers at medical universities.

The Congress will conclude with a lecture by Russian Minister of Health Mikhail Murashko titled 'Healthcare Development in the Russian Federation: Past, Present, Future'.
